

Ali Kerim ORHON – Chairman

Ali Kerim ORHON was born in Ankara in 1969. Following his secondary and high school education at Ankara Atatürk Anadolu High School and Ankara Fen High School respectively, he received his BSc degree from Middle East Technical University as Civil Engineer in 1992 and MSc degree from the same university on water resources engineering in 1995.

Ali Kerim ORHON started his professional career in 1992 as a design engineer at SUIŞ PROJE Engineering & Consultancy Co. Ltd., one of the oldest Turkish companies providing consultancy services for master plan, feasibility, detailed design and construction supervision stages on water and land resources development projects. He worked as engineer and project manager for various dam, irrigation, water supply, hydropower and flood mitigation projects in Turkey and abroad.

Ali Kerim ORHON is a shareholder of SUIŞ PROJE since 2011 and he has been working as General Manager since 2012. He is married with two children.
