

CURRICULUM VITAE

First and Family Name : Bilge Müftüoğlu
Occupation : Lawyer
Place and Date of Birth : İzmir – 05.04.1968

KEY QUALIFICATION:

- Drafting, providing legal opinion, making risk analysis and negotiating construction and EPC (*engineering procurement construction*) contracts including FIDIC suite of contracts for infrastructure projects (natural gas and crude oil transit pipeline projects, construction of industrial plants, mine site development projects, combined cycle, hydroelectric and wind power plants, energy transmission and storage facilities, railway projects); as well as construction contracts for superstructure projects (such as hotels and hospitals);
- Claim building and management of contractual obligations throughout the term of the projects;
- Dispute resolution and representation of clients before national and international arbitration authorities and dispute adjudication boards for settlement of disputes arising from construction, infrastructure and energy projects; and
- Acting as a member of dispute adjudication boards in the above referred projects.

Additionally, since 2010, Bilge Müftüoğlu shares her knowledge and experience with managers, engineers responsible for project management, and in-house legal counsels practicing in the construction and energy sector by conducting training programs on contractual obligations under construction contracts including FIDIC forms (based on 1999 Revision and 2017 Revision 2022 reprint), negotiation thereof, potential legal problems that may arise during course of project management and dispute settlement. The mentioned programs consist of three modules. The first module is based on FIDIC 1999 Revision and provides general information on construction contracts and contract management from a legal perspective. The second one elaborates most commonly used three forms of FIDIC Suit of Contracts 1999 Revision, namely Red Book, Yellow Book and Silver Book on a comparative basis. Finally, the last module focuses on FIDIC 2017 Revision 2022 re-print and discovers newly introduced provisions and principles by FIDIC.

EDUCATION AND CERTIFICATES:

Dokuz Eylül University Faculty of Law (BA, 1990)	
FIDIC Certified Adjudicator – FIDIC Credentialing Limited	2023
FIDIC Training Academy	
FIDIC Contracts Module 3 – Understanding DABs	2022
